

Activities at the Multicultural Neighbourhood Centre

TUESDAY

10am – 1pm

Free English Class

For people from Culturally and Linguistically Diverse backgrounds. These classes are available to everyone from non-English speaking backgrounds, regardless of their visa type. The aim is to assist participants in improving their English skills for various aspects of daily life, including job hunting, engaging in general conversations and social situations, understanding media like radio, television, and newspapers, and

handling daily tasks such as shopping, using public transport, and attending medical appointments.

WEDNESDAY

10am – 1pm

Free English Class

For people from Culturally and Linguistically Diverse backgrounds. These classes are available to everyone from non-English speaking backgrounds, regardless of their visa type. The aim is to assist participants in improving their English skills for various aspects of daily life, including job hunting, engaging in general conversations and social situations, understanding media like radio, television, and newspapers, and handling daily tasks such as shopping, using public transport, and attending medical appointments.

Wednesday

THURSDAY

10 am – 1 pm

Multicultural Women & Children Group

Women from all multicultural backgrounds are warmly invited to attend with their children under school age. Everyone is welcome – come along, meet other families and be part of a friendly community group. Practice Speaking English with support from a qualified volunteer teacher.

- Learn helpful information about living in Australia, government services, and local support.
 - Join fun social activities including cooking, arts and crafts, picnics, and excursions.
 - Meet other women, make friends, and build community connections.
- Activities for children
- Children below school age are welcome. They will be supervised by staff and volunteers, with activities such as playing, music, storytelling, craft, outdoor play, and social interaction.

Sunday

Multicultural Gardening Group

The Multicultural Gardening Group's focus is to promote social and educational interaction among people of diverse backgrounds. The group aims to help the community to get together and develop tolerance and acceptance between people from diverse cultural backgrounds.

To allow people to grow their own vegetables, fruits, herbs, and flowers etc.

Learn about gardening and share local and traditional knowledge and practices.

To encourage cultural exchange, learning, sharing, and community enterprises.

Encourage healthy lifestyle, bring people of all ages, and walks of life together that assists in building stronger communities. The Multicultural Gardening Group meets once a month.
